Graduation Worksheet

The Associate of Applied Science in Biblical Studies is a two-year, 72-credit, college-level program that trains students to know God and equips them to serve Him. The Associate of Arts in Biblical Studies and Bachelor of Arts in Biblical Studies degrees require specific General Studies courses to be transferred from a separate, accredited college (minimum of 18 cr. for Associate's, 36 cr. for Bachelor's). Technical, non-academic, and vocational courses are not acceptable for transfer, nor are courses that are below college level (such as remedial community college courses). Proof of high school completion is required for admission. *The Certificate of Completion follows the same 2-year course of study as the A.A.S.B.S. and is intended for students who have not completed high school or have learning difficulties. See Registrar's Office for details.

Students are responsible for tracking their progress. A 2.0 GPA is required and classes must be passed with a C- or higher. A minimum of 18 credits for the A.A.S.B.S. and A.A.B.S. and 33 credits for the B.A.B.S. must be completed directly through CCBC (Murrieta, Costa Mesa, Distance Learning, or Teaching Sites). **All credits are semester credits.**
